Paul—

Thanks for your note. If you would like, we could call you for the meeting so that you could participate over the phone, rather than having to cancel your travel plans. It looks like Dudley will try to join us later in the afternoon.

As a follow-up to conversations that many of us have been having on PRIA4, EPA would like to convene a meeting with all of you to continue the discussions. From EPA's standpoint, we want to ensure everyone is hearing the same things from OPP. I'm told that next Wednesday (6/7) from 2pm to 4pm works for everyone. We will meet at EPA's facility in Arlington, VA (2777 Crystal Drive). I will send out a separate calendar invite, but please also confirm with Shannon Jewell (cc'd above) who will help facilitate entry into our building.

We are looking forward to continuing the dialogue and finding
